Rowing Victoria Membership

Rowing Victoria (RV) is the governing body for rowing in Victoria and Albert Park South Melbourne is an affiliated club of RV. All members of our Club must be registered with Rowing Victoria to be covered by personal accident insurance. Upon acceptance as a new member, and at annual renewal, the Club will ensure all members are registered appropriately and pay any associated fees as either a social or competitive rower as an integral component of your membership with the Club.

Albert Park South Melbourne Rowing Club accepts members who are also members of another RV affiliated club and permits them to nominate the club banner under which they wish to compete (although we would love it to be APSM). There will however be no reduction in membership fees for Members who nominate their RV registration under another affiliated rowing club.

Regatta Fees

Members who elect to compete at state and national regatta's will incur a '*seat fee*' for each event they enter which is billed directly to the Club. These fees are set by RV prior to the event. Each member is responsible for paying their respective fees promptly upon receipt of a club invoice (and any penalties that RV may impose in accordance with their rules, e.g. late entry fees or penalties for non-attendance). **Please note** - seat fees will not be charged to Members for up to two club sponsored regatta's each year. The Club will cover the cost of all APSM crews at these nominated events, as well as all boat transport costs, as part of your membership. The Club encourages all members to compete at these regattas which cater for novice through to experienced competitors.

Private Boat Storage

An annual boat storage fee of \$180.00 applies in addition to membership fees (\$90.00 if commenced after 1 Jan 2024) for each private boat that is racked at the club. Acceptance of requests for members to store their private boat at the club is not an automatic right attached to membership. Boat racking is limited and subject to annual review at the absolute discretion of the Captain.
